

We Need your Help!!!

As many of you know, Centennial High School Football has had a phenomenal run! We are the reigning 3 time State Champs! 2009 was another great year at Centennial for our football team and program. After 3 State Championship in a row we ended the season with a loss in the semi-finals. Although disappointed, we had a great run with a trip to Reno, Nevada to start the year and a National rank as high as # 4.

This year looks to be another promising year for the Coyotes however; there will be some changes in our funding by the school district. The Centennial Pack Backers (Coyote Football Booster Club) provides support for the entire football program. One of the most important ways we support our team is by providing a meal for the entire Varsity team each home game. Head Coach Richard Taylor believes that keeping the team together for a meal will help them to bond and give them time to “cool down” after the heat of competition.

The Pack Backers also contribute to equipment and coaches requests that are not covered by the district. There are many other ways that Pack Backers support the Centennial Football Program. From producing the football program, sold at all games, the senior retreat, to individual player needs, apparel, banquets and so much more.

Athletics is a vital part in the growth of the complete student. All of us who have been involved with athletics in the past can testify that it was through athletics that we learned many of life's truths. We learned to compete, to win with humility, to lose with honor, to work hard, to be a part of a team, and work under authority. We are pleased to see these attributes instilled in our student athletics through our incredible coaching staff. If used correctly, athletics can be used as one of the greatest motivators for academic success. We count on the generosity of fans, friends and families to keep this amazing program going. Our kids are worth it!
